

COOKIE STATEMENT WEBSITE LABELCRUSH.COM (ONLINE PLATFORM) (English)

1. Parties in this statement

In this Cookie Statement (“Cookie Declaration”), the following should be understood as:

- Labelcrush: also referred to as ‘website’ or ‘platform’; trademark of ‘STYLE SCOOP BVBA’ with registered office at TOLSTRAAT 39, 2000 Antwerpen and registered under company number 0543.359.554. Labelcrush is the abbreviation of the websites www.Labelcrush.com, www.labelcrush.be and www.labelcrush.nl
- User: Every possible party that may use the website ‘Labelcrush’, regardless their factual position as seller, buyer or mere visitor.
- ‘Telecommunication Law’: Wet 13 juni 2005 betreffende de elektronische communicatie (referred to as: Telecommunication law).

2. Definition of cookies

Cookies are small data- or text-files sent from a website and stored on your local computer. Cookies can be stored for different purposes; some cookies have a technical character (for example to store language preferences), session cookies (temporary cookies) and tracking cookies

(cookies that track and store your behavior on the website, in order to offer the user the most optimal user experience)

The Belgian Law concerning electronic communication' (implementation telecommunications law) includes some provisions regarding cookies, and the use of them on websites. The Belgian implementation is derived from the European E-Privacy Directive. This Directive implies that every EU Member States has a certain discretion regarding cookie-legislation.

Labelcrush.com is accessible in other EU member states. Below title "7. I'm not from Belgium. What type of consent does my country require?" an overview of the diverse European Cookie-legislation landscape is offered.

3. What is the aim of these cookies?

Labelcrush.com would like to inform the user as much as possible on this new legislation, and on the cookies they use. Cookies are essential for Labelcrush.com in order to optimize every visit to the website. Cookies, for example, remember every technical choice the user made (for example choices regarding language, newsletter, et cetera), and help to offer the user every relevant services and suggestions.

If you would like to consult the website of Labelcrush.com, it is recommended that cookies are enabled. However, if you do not prefer such setting, the user is free to disable cookies through changing the browser settings. (We refer you to title 6 "how can I manage my cookies")

We only use cookies to optimize you're experience regarding our website. Therefor we guarantee the fact that our cookies are safe. The information that is collected through the use of cookies allows us to detect possible errors and/or allows us to demonstrate specific services of which we

presume they can be useful for you. There is a possibility that we store information that can be directly linked to a user. Some of our cookies may come from carefully selected partners with whom we cooperate and that advertise our services on their website.

4. What guarantees do I have as a visitor?

Labelcrush.com acquired the legal Quality-label 'mylabel', after an extensive legal and technical scan of their website by the legal department of 'DeJuristen/LesJuristes'. This label guarantees the user 100% legal certainty.

The result of this scan can be viewed online through this link:

5. What cookies does Labelcrush.com use?

In order to consult the Labelcrush.com website, it is recommended that you enable cookies on your computer, tablet or mobile phone. Without enabled cookies, there is a real possibility that we are not able to guarantee an optimized use of our website.

If, however, you feel the urgent need to restrict, block or remove cookies of 'Labelcrush.com', we gladly explain you how to manage your browser settings under title 6.

- Select 'Allow local data to be set'.

Browser - Safari

- Click on 'Cog' on top of the browser and select 'preferences'.
- Click 'Security', check the option: 'Block all cookies of third parties and advertisement cookies'.
- Click 'Save'.
- **7. "I'm not from Belgium. What type of consent does my country require?"**

Labelcrush.com is accessible from other European member-states, so it is possible that not only Belgian citizens visit the website. European member-states have diverse interpretations on cookie-legislation, which makes it difficult for the user to determine what type of consent needs to be given. Below you can find an overview of the European member states, their status of implementation and their (possible) way of implementation.

Labelcrush.com endeavors to apply the correct way of implementation in the member state, for so far this is allowed in a technically and material

way.
